YUBU' means tofu pockets in Korean.

With various tofu pocket options, we welcome both meat lovers and vegetarians. The tofu pocket is a perfect snack, easy to grab and go for everyone.

# Founder's Message

YUBU INC. is the first Korean tofu pocket in Canada which was created by a collective of Korean food lovers in Toronto. Opened the first location in December 2022, followed by the second store in January 2023 in downtown. And we have achieved successful openings for the third location in Scarborough and fourth location in Yonge and Finch.

Our mission is expanding the presence of Korean food around the world. With authentic Korean toppings on YUBU, we will introduce K-food to everyone and support Korean cuisine to capture the global food scene.
